Thomas (Borui) Zhang

Shanghai Jiao Tong University — Global College

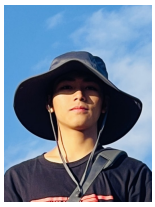

Electrical and Computer Engineering (ECE) | Sophomore

Email (SJTU): thomas_zhang@sjtu.edu.cn

Email (QQ): 1296695641@qq.com

Phone: (+86) 177-6400-5057

WeChat: Thomas_Zhang0730

Research Experience

- **PRP: FPGA-Based AI Power Supply (AI-DC) Design and Implementation**
  - Implemented a PI controller on FPGA
  - Completed full control-circuit experiments
  - Implemented ADC sampling of power-supply data
- **RAPLab** (Advisor: Prof. Zhongqiang Ren)
  - Completed simulation and verification of exploration algorithms
  - Participated in real-robot configuration and debugging
  - Lab page: https://rap-lab.github.io/
  - Repository: https://github.com/Thomas-Zhang07/ROS2_test

Awards

- **Freshman Award in Hello-HPC-1st** (2025 Fall)
  - SJTU Official High-Performance Computing Competition

Open-Source Projects

- **ClaudeCodeCLI_remote**: https://github.com/Thomas-Zhang07/ClaudeCodeCLI_remote
- **notebookRemote**: https://github.com/Thomas-Zhang07/notebookRemote
- **AUtoVas-Auto_Canvas**: https://github.com/Thomas-Zhang07/AUtoVas-Auto_Canvas

Technical Skills

Programming Languages: C++, Python, Elm, Vue, Verilog

Other Skills: Agile Development, LaTeX, Agentic Development

Language Skills

IELTS — **7.5** overall
